Carol, attached is the list of committee appointments from Preston and reports that we are responsible to provide. They are divided up in each of my areas. If there is further clarification on a report or committee appointment, I can get that information for you. I also included the local board of health positions that are appointed by the Commissioner of Health. We have a process for that and would be glad to visit about it when you have time. If you need anything else, please let me know. Thanks, Tina
